

## Have you seen the fantastic new WISH website?

Launched at the end of July, it not only has a fresh new look, but also incorporates a great range of new features and benefits, which will enable residents to continue finding the health and wellbeing information and support they need.

### The new features, include...

**My Information Booklet:** This enables you to create a personalised booklet of information, services and activities, which can be e-mailed or downloaded.

**Services directory:** An improved and easier to use directory, including dedicated home care and care homes categories, to help you quickly find the information you need.

**What's on calendar:** Event listings can now feature posters, to make it even easier to promote / find all the information you need in one place.

**Google Translate:** You'll be able to automatically translate WISH into over 100 different languages, including Chinese, Lithuanian, Polish and Portuguese.

**Feedback service:** This handy new online form will enable you to easily provide feedback about WISH, which will help them to continue improving the service.

**Volunteering opportunities:** You'll be able to see the different organisations and charities, across the county, where you can volunteer.

### Did you know...

WISH has recently added some great new sections, including [Coronavirus: Local community information](#), [Coronavirus: Stay at home exercises and activities](#), [Cooking at home](#), [Summer activities in Herefordshire](#) and a [Speech and language toolkit](#) for parents and carers. This means it now features over 325 wellbeing information pages, 950 registered services and groups and 350 activities and events every month!

To find what you need for you and your family, follow WISH on Facebook, Instagram and Twitter (WishHereford) or visit [www.wisherefordshire.org](http://www.wisherefordshire.org).
